

## Leading Edge Before & After School Registration is Open

Leading Edge Registration is open for the 2020-2021 school year. Log into our **NEW Parent Portal** at <https://families.leadingedgekids.com/> and follow the prompts to complete the online registration.

Please review the attached guide on enrollment, payment and cancellation policies before you begin.

**\*\*At this time, only registration is open, which will hold a spot for your child(ren) in our programs for the fall. Enrollment in morning, afternoon, early release, and full day program selections are not yet available. You will be sent an email as a reminder to enroll in specific programs once fall school day schedules are available from our partner schools.**

### What will I need to register?

A credit/debit card or checking account is required to pay the annual registration fee and schedule future tuition payments. The non-refundable registration fee is due at the time of enrollment. Future payments will be scheduled to automatically debit from the financial information you provide. Any credit amount on your account may be applied to the registration fee and/or future payments.

### What if I previously had an account with Springboard?

The email address associated with the primary account holder is your username for your Leading Edge account. To access your account, you will need to use the reset password function. Here is a link to reset your password on login.
