Commitment

A musical is a big commitment. We are looking for self-disciplined students with a positive attitude and creative personality.

It takes support from families to make sure that actors are learning lines, practicing songs and dances.

Light rehearsals in late Nov. and Dec. and regular rehearsals from Jan-March. Show dates in April.

What do I Sing?

This year we will be teaching audition songs during the workshops. Your student will be able to choose from one of three songs and not have to worry about picking their own.

If you have any questions about the program or process please feel free to email the director.

Once the show is cast there will be a parent meeting to discuss program information.

Workshops

Workshops are coming!

Grades 5-8

Whether your student is new to musical theater production (MTP) or a veteran player, they should plan on attending these workshops.

Workshops are a great way to meet other students, learn about theater and get comfortable with the team before committing to a show. Workshops give the necessary tools for auditioning.

We have some exciting surprises during workshops!

Workshops are Tuesdays in October 3:30-5:00

10/2 (added), 10/9, 10/16, 10/23, 10/30

Email cmarshall@cscharter.org to give your student permission to attend.
