

May News

What We're Learning:

Reading: We will be working on sight words, phonograms, reading fluency, sequencing and author's purpose. Our unit is "Art in Motion"

Math: Subtracting. Keep working on timed math facts!

Grammar: We will identify topics and paragraphs.

Writing: Write a paragraph about "My time in First Grade"

Core Knowledge

Science: We will learn about our body and the systems that work inside.

Core Virtue for May:

Hope

You are not alone
things will get better
there is hope.

unknown
