

My name is Jon Asp and I am the Physical Education teacher. This will be my third year teaching and coaching and I'm excited to be back at CSCA. I grew up in Columbus, Ohio playing basketball, golf, and track in one of the toughest leagues in the state. I graduated from Indiana Wesleyan University with an addictions counseling degree while playing basketball, golf, and roller hockey.

When I am not at work, I enjoy spending time with my wife and three children. I'm also a crossfitter, mountain biker, rock climber, and photographer.
