

Hello, my name is Kristy Brogan and I was born and raised in Gardner, Massachusetts. I attended Fitchburg State College where I earned my Bachelors in Elementary Education as well as my Bachelors in Earth Science. I returned to Fitchburg State in 2007 and earned a Master's Degree in Elementary Education. I have taught in a variety of settings including High School Summer School, Third Grade and an after school creative dramatics program in Massachusetts. While in Hawaii I taught Reading grades 1-5, Fifth Grade, and Kindergarten. I spent about 5 months teaching preschool in Arizona and then returned to Massachusetts before moving here to Colorado Springs. As you can see, my husband's military career has given me a unique opportunity to develop a diverse background and a broad perspective in education which has enhanced my art of teaching.

I moved to Colorado Springs in December of 2008 with my husband and plan on staying here for a few more years. I will be starting my third year teaching fifth grade at CSCA. Unfortunately, I do not have any children at this time but I do have an orange tabby cat named Koa who keeps me busy when I am not in school.
