

Debbie Dorsch, Academic Dean, has been at CSCA from its beginning. Debbie has over 25 years experience in education. She has spent most of those years as a Special Education teacher with the addition of some of those years in administration. Debbie enjoys interacting with all the students, faculty and CSCA families. She enjoys spending her time going to educational workshops to learn about the newest trends in education. In her time away from CSCA, Debbie's favorite thing to do is spending time with her grandchildren.
