

I have lived in Colorado Springs my whole life, and I love it here! Having grown up in a large and loving family, I still spend much of my spare time with my parents, siblings, and in-laws. When I'm not with the rest of my family, I enjoy spending time with my husband and my cat, reading, or walking in the beautiful Colorado outdoors. Though I have always wanted to be a teacher, I decided to pursue an unusual Bachelor's Degree in Distributed Studies with a combination of Professional Writing, Spanish, and French at the University of Colorado at Colorado Springs. I then continued my studies at UCCS, earning my teaching degree and beginning work on a Master's in Curriculum and Instruction with an emphasis in Linguistically Diverse Education. After that, I worked as a substitute in Harrison District 2 and Cheyenne Mountain District 12, including long-term subbing in 4th grade, Special Education, and Spanish before coming to CSCA. I am so excited to be returning and am looking forward to a wonderful year!
