

Biography for Leslie Riese

I am pleased to say that I have had the pleasure of working at Colorado Springs Charter Academy since it first opened in 2005. I have worked as a 6th and 2nd Grade Aide, First and Third Grade Teacher, and now the Title I Teacher. I was born and raised in Colorado Springs and am very lucky to live so close to my family. My husband and I are very excited about becoming parents for the first time. Some of my hobbies include scrapbooking, hiking, dancing and spending time with my family. My biggest source of inspiration has been my niece and nephew. It is because of them that I have discovered my passion for working with children and helping students discover the joys of learning.
