

Hola! Mi nombre es Zuleika (Su lai ka) Zsweetman, while the name does not sound very Spanish, I am a native speaker. I was born in Cuba. My family and I moved to Chicago when I was 9 years old. I am married to Mr. Sweetman (yes, he is sweet) for over 22 years. We have two wonderful children, Alexander who is 19 and goes to CU Denver and Andrea, who 18 and is a freshman at CU Boulder.

We moved to Colorado Springs 7 years and I decided to complete my college degree. I received my BA in Spanish from UCCS. In my spare time I love to play tennis, hike this beautiful state and have dinner with my friends.

I love to speak Spanish so if you want to practice your college Spanish come see me. I am very excited to teach your children not only the language, but also the culture and history of the Latin-American countries.
