

Hello! My name is Lorraine Trujillo and I teach full day kindergarten. This is my second year teaching and my second year at Colorado Springs Charter Academy. I am a native of Colorado Springs and graduated from the University of Colorado at Colorado Springs with my Bachelor Degree in Geography and Environmental Studies. After college I worked as a kindergarten aide and fell in love working with kindergarteners. I wanted to learn more about this age group, so I went back to school to study early childhood development at Pikes Peak Community College. Subsequently, I went back to UCCS to pursue my Colorado Elementary Teacher License. I am dedicated to helping each child discover the love of learning and can't wait to work with your student.
