

CSCA Updates:

Support our school and a non-profit organization. Colorado Native Plant Society is holding a plant sale of native plants. We would be honored if you ordered some plants for us to pick up and plant here at our school! Most plants are only \$8.00 so even if you purchase one it would be a great help! <https://conps.org/23plantsaleperennialflowers/> Please put in order notes "Colorado Springs Charter Academy to pick up".
